The kids have dressed up as their typical unusual costumes and it's a stitch. Louise is Edward Scissorhands, Tina is a Single Mommy Mummy, and Gene is Queen Latifah in her U-N-I-T-Y phase. After a really bad trick or treating trip on Halloween night in their neighborhood, the kids venture out to the rich side of town hoping to score big from the richer families. Lo and behold they do when they meet two other kids who help them find the big scores including full size candy bars, and giant jugs of soda.
